

Ripping The Tusk From The Head Of The Mammoth

Sea flowing through your veins
For us there is no fear
Find pleasure in the grain
In darkened depths so clear
Fall up from the top of the mountain
Confront terror
And find yourself again

Find yourself in your death
And I'll be here till the end
Find yourself in your life
And tear the tusk right now

Accept the strike of lightning
For us one year will do
Define the things you can't see
Because you know what's true
No salvation
Your words can't fill the void
Termination
Embracing those destroyed

Find yourself in your death
And I'll be here till the end
Find yourself in your life
And tear the tusk right now

And here's the ash of what remains of your whole
And there's nothing

Shosaku

Jushaku

There's no heretic that could harness my flame
And I'll be here; I'll be here

Find yourself in your death
And I'll be here till the end
Find yourself in your life
And tear the tusk right now
